The first book set (*Foundation*) is now available for ordering, and will cover the importance of:

- Learning how money works,
- Goal setting,
- Simple and effective budgeting,
- Understanding the facts about credit,
- How daily choices affect our lives,
- How to keep a long term perspective and balance in life.

Each set of books sells for **\$42 plus GST** with **\$10** from every set going to your parent council to fund the great programs that help your kids get the best education you can give them.

So give the kids in your life the tools they need to navigate the complicated world of money in a way that teaches them about asking intelligent questions, making healthy choices, and taking all aspects of their lives into consideration.
